Ahoy Members!

September, and 3/4 of the year has passed. Our board has been very successful in keeping the club prospering, and have put in many volunteer hours to ensure that all of you enjoy the events and venues. With the help of volunteer members, we have been able to succeed

Elections are around the corner. I cannot express how important it is for new members to consider board positions. A core group of our members continuously volunteer and work countless hours for the club. This can lead to burnout or stagnation. If you have not thought about it or were on the fence about putting your name in, I strongly suggest you do. New members and new ideas will ensure that our club continues to prosper.

Our club runs on the assumption that members will volunteer. Each of us is obligated to volunteer eight hours a year. There's a group of members who succeeded that tremendously, while some members don't volunteer at all. I'm reaching out because the future of our club depends on you!

Our dues are where they are and have not been raised because of volunteers. If we are to continue with the low membership rate, all members must volunteer, so please volunteer.

Your Commodore,
Marlon Brandle, Sr.

Hello once again from behind the bar,

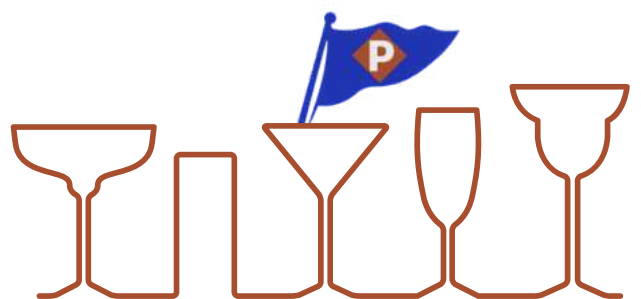

We definitely had a much better month in August, with net profit exceeding last month. Thanks to many events the bartenders were kept busy, busy, busy.

Our special thanks goes out to all the volunteers who helped in set-ups, take downs and bussing the tables after the events.

We've recently upgraded our registers to new monitors installed by our Commodore **Marlon Brandle**, and thanks to **Charlotte Miller** for providing PYC a nice discount from Apple.

Let's continue having these fun, exciting and profitable days.

Your man on vice,
Glen

Hello fellow PYC family!

This past month I had a plumber come in to snake and clean out the shower drains in the bathrooms. During this process, the plumber also discovered that the waterproofing in the men's shower floor had been compromised for quite some time, leading to water damage under the shower. I am in the process of getting the shower floor and foundation repaired.

Also, we are looking at two different quotes for repairing or replacing the outdoor patio hand railing.

Finally, a part for the bar sink finally came in and I was able to repair the sink myself.

Thank you,
Gabe

Hello PYC,

Unfortunately, we cancelled our raft-up to Mildred Island due to lack of participation. Eric, Linda, Mary, and I had a great time on our boat, cruising the Delta, and marina hopping for the long weekend.

I will keep you up to date on any future cruises that we may plan, and, as always, please let me know if you are interested in planning, or participating on a cruise.

Have a great day,
Johnny

Happy September!

We've had a great summer at the PYC. Let's keep up the pace and continue to enjoy all that our club has to offer.

Finances are good and club membership continues to grow.

See you at the club!

Well hi all,

August started off very well with Marin YC cruise in Friday the 2nd with six boats. Fabulous people who visit us every year and apparently never get bored, well so far!

Saturday the 3rd was my birthday and I came back for the Poker Run. It was, as always, excellent, loud and fun. I must interject and let all know that Marin left at 9am Saturday so as not to interfere with incoming boats, so thank you to Noel.

August 9th, Sequoia were cruising in with 9 boats and 18 people and hoping for a meal I called our Rear Commodore, **Gabe Palamino**, and asked if he could help me out. He said "I will call you back", and he did the next day. He had a flyer out quickly, and if you were there, it was fabulous! If you missed it, I'm very sad for you. Gabe and his crew went over board I must thank

- the following:
- Lesley Palamino**
 - Mike LeBlanc**
 - Charlotte Miller**
 - Katrina Vondra**

Our wonderful bar keeps **Kandi** and **CeCe**
Then the man that put this all together:
Rear Commodore - **Gabe Palamino**

Solano are looking at cruising in for Seafood Festival - I hope they are able to! For all other Cruise Ins, please see the calendar!

I am Happy to add the following new members to our membership: **Bruce Whyte** and **Elayne White**. Be sure to greet them when you see them at the club.

We are planning a Membership drive at the club on Sunday September 15 in addition to a Sunday brunch. As an incentive, the new members who sign up for 2025 will have the rest of their 2024 dues waived.

As always, I like to remind our members that we are always looking for volunteers to participate in events and Wednesday Night Dinners.

Looking forward to seeing you on 9/15.

PICYA DELEGATE OF THE YEAR

Marilyn Sperling

Hello Pittsburg Yacht Club members,

Upcoming PICYA Events:

September 21 Coastal Clean Up Day 9-Noon

Pittsburg Marina will be helping sponsor this event. PYC earns COTY points for participation so check it out and sign up with Pittsburg Marina.

September 28 PICYA 26th Annual Margo Brown Wheelchair Regatta

Encinal Yacht Club in Alameda

This event will once again provide disabled veterans confined to wheelchairs with the rare opportunity to experience a boat cruise on the Oakland/Alameda estuary and San Francisco Bay waterfront. On their return our guests are treated to a BBQ luncheon, music and gift bags. Volunteers on land and boats are welcome. Last year Phillip & Cheryl Clarke volunteered Navanax their gorgeous Grand Banks which helped bring our total COTY points to over 250 to qualify for Club of the Year. If you can assist with this rewarding community service project complete and return the form located at PICYA.org

School is in session!

- When driving within 500 to 1,000 feet of a school while children are outside or crossing the street, the speed limit is 25 mph unless otherwise posted.
- If the school grounds has no fence and children are outside, never drive faster than 25 mph. Some school zones may have speed limits as low as 15 mph.
- When a school bus is stopped near a school or anywhere else, the law requires drivers to stop when the red lights are flashing. Drivers may proceed ONLY when the lights go off and all children have safely crossed the street.
- Be on the lookout to spot small pedestrians and children on bikes.
- Obey all crossing guards and safety patrols.
- Always slow down anytime you see a child near the road, no matter what the speed limit. Children can do unexpected things and it's always better to use an abundance of caution.

Mission Statement

The mission of the Pittsburg Yacht Club is to foster camaraderie and enhance shared experiences among our members, their families, and friends through engaging in nautical activities, lively social events, and enriching boating education. We've built a legacy as a warm, outgoing, multi-generational family club that values diversity and high character among its members.

Our commitment extends beyond our club's walls. We aspire to be the community's foremost resource for all things boating, including nautical education. As individuals and as a collective, we embrace a vital responsibility to promote, protect, and preserve the environmental integrity of our Delta and waterways, ensuring a legacy for present and future generations.

In our pursuit of excellence, we strive to continue our legacy as the Jewel of The Delta by providing our members with top-notch, well-maintained waterfront and Clubhouse facilities. Operating as a not-for-profit organization, we maintain fiscal prudence through strategic long-range planning, ensuring a solid financial foundation to support our endeavors and uphold our esteemed position within the community.

Board approved.

Sound Signals & Rules!

OVERTAKING

The vessel that wishes to overtake is the **Give-Way Vessel**.
The vessel being overtaken is the **Stand-On Vessel**.

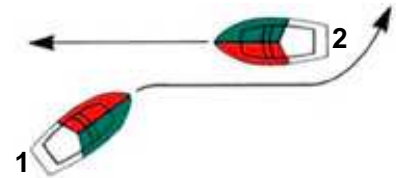

The Stand-On Vessel maintains course and speed.
The Give-Way Vessel must take early and substantial action to avoid the Stand-On Vessel.

They **Give-Way Vessel** will sound the following signals:

- I want to pass on your starboard side: **One Short Blast**
- Proceed: **One Short Blast**
- I want to pass on your Port Side: **Two Short Blasts**
- Proceed: **Two Short Blasts**

If either vessel operator is not clear about the intentions of the other vessel, **five short blasts** should be given.

MEETING: CROSSING

In the diagram above, Vessel 1 is the **Give-Way Vessel** as it has the vessel on the right in its green sector.

The **Give-Way Vessel** must take early and substantial action to avoid crossing in front of the **Stand-On Vessel**, Vessel 2, so it alters its course to starboard and adjusts its speed appropriately.

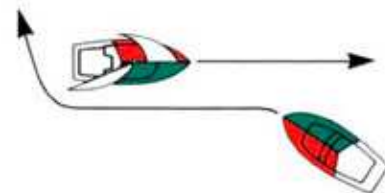

MEETING: HEAD-ON

In the diagram above, two vessels are meeting **head-on**.

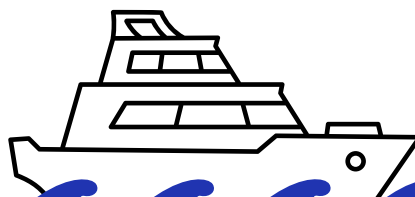

Since they both must take action, they will both give **one short blast** to indicate they will alter their course to Starboard so that they pass Port to Port.

MEETING: POWERBOAT & SAILBOAT

When a sailboat under sail alone, meets a powerboat, the **sailboat** is the **Stand-On Vessel** and the **powerboat** is the **Give-Way Vessel**.

The powerboat must take early and substantial action to keep clear of the sailboat.
